

YOUR NEW DOCTOR?

When it comes to health care, what really matters is who decides. Under reform proposals before Congress, government would take over more and more of your health care decisions. Whatever it's called—socialized medicine . . . government-run health care . . . “a public plan” . . . individual & employer mandates—it's bad medicine.

In a recent national survey* 4 out of 5 Americans were concerned that government-run health care would:

- **REDUCE HEALTH CARE QUALITY**
- **INCREASE COSTS**
- **LIMIT CHOICES OF DOCTORS**
- **INCREASE THE FEDERAL DEFICIT**

There is a better, uniquely American solution: freedom. Freedom to choose your doctor and health plan. Freedom to spend your health care dollars as you choose. Freedom to make your own medical decisions. Freedom to keep a health plan you are satisfied with.

HEALTH CARE REFORM IS NEEDED. BUT A GOVERNMENT TAKEOVER IS NOT THE ANSWER.
